

Conflict to Peace Mediation Fee Agreement for Marriages and Families

We, _____, have been advised of the fee schedule for the services of Conflict to Peace. We understand that the fees applicable to the mediation process in which we have agreed to participate include:

- a) A flat fee of \$300 for each intake – up to two hours (with written materials). Intakes will be conducted separately with each participant. Additional intake time after the first two hours will be \$150 per hour.
- b) Mediation session fees of \$300 per hour (The minimum session is two hours; there is a 20% surcharge for sessions on weekends, holidays, or portions before 9 a.m. or after 6 p.m.). Non-administrative contact with a conciliator(s) or Conflict to Peace, outside of sessions, whether in person, by phone, or in e-mail review and response, is \$180 per hour. Conflict to Peace reserves the right to charge for extraordinary case administration time (i.e. to arrange a neutral property appraisal) at \$180 per hour.
- c) A deposit for the preparation of a memorandum of agreement is \$600 (four hours). Additional time, if needed, is \$150 per hour. This fee also applies to time preparing advisory opinions if applicable.
- d) Any required regional travel time is at the rate of \$150 per hour plus mileage at the prevailing Internal Revenue Service reimbursement rate.
- e) All direct costs of Conflict to Peace and the mediators associated with the case, including long distance telephone calls, travel, parking, written resources provided, and other out of pocket expenses. These direct costs shall be shared by both parties, unless otherwise agreed.
- f) A cancellation fee of \$300 is payable by a party who causes a cancellation of any scheduled mediation session with notice of less than one full business day. Returned checks are assessed a \$35 fee.

We agree to pay all fees and costs of the mediation process in accordance with the above schedule. We agree to pay for fees for each session as they are incurred, direct costs as invoiced, a deposit prior to the preparation of a memorandum and the balance upon delivery of the memorandum. Mediation resuming after 90 days of inactivity will be billed at the then prevailing rate. If we are unable to pay fees when due, we must request alternate arrangements with Conflict to Peace in advance. Unless otherwise agreed, interest shall be charged at the rate of two percent per month on balances outstanding over 30 days; in the event collection action is initiated, we agree to pay all costs and fees associated with such action, including attorney and conciliator fees. **Unless a separate payment election is made, we agree to pay the fees from our joint/marital resources.**
