

Conflict to Peace Arbitration Fee Agreement (Single Arbitrator)

I, _____, have been advised of the fee schedule for the services of Conflict to Peace. I understand that the fees applicable to the arbitration process in which I have agreed to participate include:

- a) A filing fee of \$120.00 for each claim or counter claim filing, due at the time of filing.
- b) A fee for case administrator time of \$180 per hour divided equally between the parties. A non-refundable deposit of \$180 per party towards case administrator time to initiate and administer the arbitration payable in advance at the opening of the case. (\$90 of administrative deposit waived if proceeding with the same panel that served during mediation).
- c) A flat fee of \$60 per party for each day during which a hearing or preliminary conference is held.
- d) Arbitrator time fees of \$200 per hour, per party for a single arbitrator from our panel of Conflict to Peace associates (Includes time in session – preliminary and regular (minimum regular session fee two hours), reviewing submittals and briefs by parties, and deliberation; time is billed in quarter hour increments; time in session on weekends, holidays, or portions after 6:00 p.m. are an additional twenty percent.). If an arbitrator other than Conflict to Peace associates is chosen by the parties and such arbitrators do not accept the Conflict to Peace compensation schedule, the hourly arbitration panel time rate shall be increased by the amount such arbitrator's agreed compensation exceeds the Conflict to Peace compensation schedule; parties will be advised of any increased hourly rate associated with selection of such an arbitrator at the time of such individual's nomination. Any arrangement for compensation of an arbitrator shall be made through Conflict to Peace and not directly between the parties and the arbitrator.
- e) An award preparation fee of \$150 per hour per party (minimum three-hour fee).
- f) A per party fee for any required travel time at the rate of one-half the party's arbitration session hourly rate plus mileage at the prevailing Internal Revenue Service reimbursement rate.
- g) All direct costs of Conflict to Peace and the conciliators associated with the case, including long distance telephone calls, travel, parking, written resources provided, and other out of pocket expenses. These direct costs shall be shared equally among all parties, unless otherwise agreed to by the parties.
- h) A cancellation fee equal to the total of minimum applicable fees for all parties under paragraphs c), d) and f) above is payable by a party who causes a cancellation of any scheduled session with less than 48 hours notice.

I agree to pay my share of all fees and costs of the mediation/arbitration process in accordance with the above schedule and the ICC Rules. I understand that an advance deposit of applicable fees for at least four hours of panel time plus payment for any outstanding incurred fees will be required from each party in advance of each session. I agree to pay for fees for each session beyond the deposit as they are incurred, case administration and direct costs as invoiced, and further deposits as required by Conflict to Peace. Arbitration resuming after 90 days of inactivity will be billed at the then prevailing rate.

If I seek consideration for a fee reduction due to low income or other economic hardship, or am otherwise at any point in the mediation or arbitration process unable to pay fees when due, I must request alternate arrangements with Conflict to Peace in advance. Unless otherwise agreed, interest shall be charged at the rate of two percent per month on balances outstanding over 30 days; in the event collection action is initiated, I agree to pay all costs and fees associated with such action, including attorney and conciliator fees.

I agree that any dispute with Conflict to Peace or a conciliator arising from or related to this agreement shall be settled by mediation and, if necessary, legally binding arbitration in accordance with the ICC Rules, and judgement upon an arbitration award may be entered in any court otherwise having jurisdiction.
